

EESAC  
Guidelines for Accessing Funding  
and Important Dates

**EESAC Funding** is available for a Project or a Program to enhance the School Improvement Plan (SIP) that is beyond the expected scope of the school budget.

**M-DCPS Guidelines for FTE FUNDS:**

A portion of the school's budget is an allocation of \$5.00 for every FTE in the school, made directly to the EESAC. This money cannot be spent on capital improvements or on any project or program that lasts longer than one year. In addition, the Florida Attorney General has offered an opinion that the EESAC may not pay a stipend to its chair, since serving as chair is not a project or program. Neither District staff nor the principal may override the decision of the EESAC with regard to these funds.
