

## **Cambridge Scholar Award Recipients Increase in 2011**

Talented students from Reagan/Doral have won awards from University of Cambridge International Examinations (CIE) in recognition of their outstanding results in the June 2010 examination session.

The Outstanding Cambridge Learners in USA award program commends students who have excelled in their Cambridge IGCSE and / or International AS and A Level examinations. The Cambridge IGCSE is the world's most popular international qualification for 14 to 16 year olds and, together with Cambridge International A and AS Levels, is recognized around the world as proof of academic achievement.

Reagan/Doral is proud to announce that over 80 of our students received Cambridge Scholar Awards for gaining high marks across several subjects. Only students earning at least three grades of 'C' and above (the US grade average equivalent of a 'B' or higher) during a single examination period at the AS and / or A level, or three grades of 'B' or above at Cambridge IGCSE, are eligible for this award.

As part of the Cambridge Scholar Award, students receive a certificate from CIE presented to them during the 2011 AICE Induction Ceremony held February 3, 2011.

The following students at Reagan/Doral received Cambridge Scholar Awards: **Cambridge Scholars with International Advanced (A) & Advanced Subsidiary (AS) Level**
