		the rigors of thriving and serving in this complex world. <a href="http://www.andover.edu/summersession/">http://www.andover.edu/summersession/</a>	courses are filled by late March.	pillow, and blanket; local telephone service and voicemail; in-room internet access; all on-campus activities. \$6,400
Summer College for High School Students at Ole Miss	<b>Session I:</b> May 26-June 24 <b>Session II:</b> June 25-July 25	For the past 28 years, the University of Mississippi has been bringing academically gifted high school juniors (and some sophomores) to its beautiful campus for a unique summer experience. Students get a head-start on their college career by taking two courses (in a variety of subject areas), earning on average 6 hours of credit transferable to any accredited college or university. Courses are taught by university faculty, and in many cases Summer College students are enrolled in a course alongside Ole Miss freshmen and sophomores.  <a href="http://www.outreach.olemiss.edu/Summer_High_School/high_school/">http://www.outreach.olemiss.edu/Summer_High_School/high_school/</a>		This fee covers the University of Mississippi's one-time application fee and reserves a student's place in the Summer College. Other costs include tuition, housing, books and course fees, and a required meal plan. Additionally, students will need money for weekend meals, and miscellaneous costs while living on campus (laundry, snacks, etc.). \$2,799
National High School Music Institute	June 29-August 1, 2008	The National High School Music Institute offers an intimate look at collegiate-level music study and music as a career. The highly selective music division admits approximately 180 musicians, who may choose from eight areas of study. During five weeks of residency, students perform in nearly 20 concerts, go on musical field trips to all of Chicago's top musical venues, and participate in master classes and seminars related to performance, health in the performing arts, audition preparation, and applying to top music schools. Audition is required for admission (audition 3/14-15 and 4/25-26). <a href="http://music.northwestern.edu/nhsmi/index.html">http://music.northwestern.edu/nhsmi/index.html</a>	<b>Applications are due Monday, March 10, 2008, for early decision and Friday, April 25, 2008, for regular decision.</b> Late applications may be allowed in certain areas; interested students should contact the music admission office	The cost of attending the five-week National High School Music Institute for Summer 2008 is \$4,400, which includes tuition, room, board, health insurance, and field trips. The cost for the two-week classical guitar program is \$1,850. There is also a nonrefundable application fee of \$50.  Scholarships and financial aid are offered on the basis of ability and financial need,
Washington University in St. Louis - High School Summer Scholars	Session I June 8- July 12, 2008  Session II	Each High School Summer Scholar will be part of a small, select group of rising high school seniors exploring the realities of college life. You will earn up to 7 units of college credit. You'll develop academic and social skills that will give you a tremendous advantage	March 1,2008	The cost for the five-week program is \$5695. This amount covers: Tuition and lab fees (up to 7 units of college credit), housing, meals, access to student health services,

Program	July 13- August 15,2008	when you leave for college next year. <a href="http://www.ucollege.wustl.edu/summersc">http://www.ucollege.wustl.edu/summersc</a>		student ID, use of all library facilities, use of the Athletic Complex facilities, E-mail account and most social activities Your textbooks and supplies, travel, and personal and incidental expenses are not covered by the program fee.
